

2026 International Symposium on Nonlinear Theory and Its Applications

Grenoble, France | November 17-20, 2026

First Call for Papers

The 2026 International Symposium on Nonlinear Theory and Its Applications (NOLTA2026) will be held in Grenoble, France, November 17-20, 2026. The objective of the symposium is to provide a forum for exchange of the latest results related to nonlinear theory and its applications.

Papers describing original results in all aspects of nonlinear theory and its applications are invited. Topics include, but are not limited to:

Nonlinear Phenomena

- Chaos and Bifurcation
- Oscillations and Synchronization
- Chemical Reactions

Computational Intelligence

- Neural Networks
- Deep Learning and Artificial Intelligence
- Evolutionary Computation
- Fuzzy Systems

Engineering Applications

- Nonlinear Circuits and Systems
- Control Systems
- Communication Networks and Systems
- Signal Processing
- Applied Mathematics

Complex Networks/Systems

- Large-Scale Networks
- Social Dynamics
- Neuro Dynamics
- Mathematical Economics

Symposium Committee

General Co-Chairs

Gildas Besancon (GIPSA-lab, CNRS)
Norikazu Takahashi (Okayama Univ.)

Technical Program Co-Chairs

Daniele Fournier-Prunaret (INSA Toulouse)
Isao Tokuda (Ritsumeikan Univ.)

Technical Program Co-Secretaries

Yoshiki Sugitani (Osaka Metropolitan Univ.)
Koki Yoshida (O.M.U.C.T.)

Special Session Co-Chairs

Arturo Buscarino (Univ. of Catania)
Kuntal Mandal (URV)
Ali Haidar (Beirut Arab Univ.)
Yuichi Tanji (Kagawa Univ.)

Special Session Co-Secretaries

Hisashi Aomori (Chukyo Univ.)
Toshihiro Tachibana (Shonan Inst. of Tech.)

CCMS Workshop Co-Chairs

Suk-Hwan Lee (Dong-A Univ.)
Deokwoo Lee (Keimyung Univ.)
Noriaki Kamiyama (Ritsumeikan Univ.)

CCMS Workshop Secretary

Ryo Nakamura (Fukuoka Univ.)

Finance Chair

Haruna Matsushita (Kagawa Univ.)

Finance Secretary

Hidehiro Nakano (Tokyo City Univ.)

Publication Chair

Daisuke Ito (Gifu University)

Publication Secretary

Yuu Miino (Naruto Univ. of Edu.)

Publicity Chair

Shintaro Arai (Okayama Univ. of Sci.)

General Co-Secretaries

Takayuki Ito (GIPSA-lab, CNRS)
Hiroyuki Asahara (Okayama Univ. of Sci.)
Yoshitaka Itoh (Hokkaido Univ. of Sci.)
Takemori Orima (Teikyo Univ.)

Paper Submission

Authors are invited to submit papers (maximum 4 pages) in PDF format via the conference website: <https://nolta2026.org>

Only electronic submissions will be accepted. Corresponding authors of accepted papers will be requested to submit a final camera-ready version (maximum 4 pages).

Special Sessions

NOLTA2026 welcomes proposals for Special Sessions. We will evaluate proposals based on the timeliness, relevance, and scientific quality of the proposed topic, and we will notify the organizers of the results by March 15, 2026. Please submit proposals by February 28, 2026 via email to ss@nolta2026.org.

Important Dates

- Deadline for Special Session Proposals: **February 28, 2026**
- Notification of Acceptance for Special Sessions: **March 15, 2026**
- Deadline for Paper Submissions (Regular & Special Sessions): **April 30, 2026**
- Notification of Paper Acceptance (Regular & Special Sessions): **June 30, 2026**
- Deadline for Early Registration: **July 31, 2026**
- Deadline for Submission of Camera-Ready Papers: **July 31, 2026**

Student Paper Award

The NOLTA2026 Symposium Committee will present Student Paper Awards.

Eligible candidates must be full-time students and must serve as the first author and presenter of the paper at NOLTA2026. Candidates should indicate their eligibility and submit a 4-page paper at the time of initial submission. Anonymous reviewers will select award recipients based on the quality, originality, and clarity of both the submitted paper and the conference presentation.

Organizer

IEICE NOLTA Society

In Cooperation With

Technical Committee on Nonlinear Problems, IEICE NOLTA Society
Technical Committee on Complex Communication Sciences, IEICE NOLTA Society
